Address Lisboa, Portugal

Technical Skills

Frontend: React, JavaScript, TypeScript, HTML, CSS

Backend: Node.js, PHP, REST APIs

Database: MySQL

Web3: Solidity, Web3.js, Wagmi, MetaMask

Tools: Git, GitHub, Vite, Remix, VS Code

Education

Full Stack Web Development
Master D - 2024 - 2026

Post-graduate Web3, Blockchain e IA
European University - IPAM
2025 - 2026

Languages

Portuguese - Native

English - B1

Spanish - A1

Professional Summary

Junior Full Stack Web Developer with a strong focus on JavaScript (React, Node.js, and TypeScript), with hands-on experience building full web applications, including authentication, API integration, and SQL database management.

Developed projects such as a full stack e-commerce platform and a decentralized application (Web3) using Solidity and MetaMask integration.

Currently focused on strengthening practical skills and seeking an opportunity to contribute to a team while continuing to grow as a developer.

PROJECTS

E-commerce FullStack Application

- Developed a full stack web application with product catalog and user authentication (login and registration)
- Implemented backend using Node.js / PHP and MySQL database
- Managed users, products, and orders
- Integrated frontend and backend with a focus on performance and user experience

On-chain Voting DApp

- Developed a decentralized application using smart contracts in Solidity
- Deployed contracts on testnet
- Integrated MetaMask for authentication and transaction handling
- Implemented frontend-blockchain communication using Web3.js and Wagmi

PROFESSIONAL EXPERIENCE

Volunteer - START Summit, St. Gallen, Switzerland - 2026

- Supported operations at one of Europe's largest startup events
- Collaborated with international teams in a fast-paced environment
- Developed adaptability, communication, and teamwork skills

Waiter - Chafarica, Lisbon - Jun 2024 - Apr 2025

- Provided customer service in a high-volume environment
- Managed orders and resolved issues efficiently under pressure
- Developed communication and teamwork skills

Waiter - Treestory, Lisbon - Feb 2025 - Mar 2026

- Handled multiple tasks simultaneously in a dynamic environment
- Ensured service quality and operational efficiency
